

## *3<sup>rd</sup> Annual All in for Childhood Cancer Charity Poker Tournament*

### *Overview*

The Northern Nevada Children's Cancer Foundation (NNCCF) invites you to join our efforts in supporting families battling childhood cancer by participating in our 2010 Charity Poker Tournament. NNCCF is the only organization dedicated solely to supporting children with cancer and their families in northern Nevada and the eastern Sierra region. The Foundation was formed when Angel Kiss Foundation and Keaton Raphael Memorial (Reno Office) legally merged on September 1, 2009. By coming together, NNCCF continues to build on established programs and use donations even more effectively. Combined, we have helped 237 families and provided over \$920,000 in direct financial assistance.
