Join us for the 19th Annual Tournament of Hope

The annual Tournament of Hope is hosted on the beautiful PGA course at Montreux Golf & Country Club. This course will provide a beautiful backdrop for a great day of golf and philanthropy as we raise money to assist local children and their families in their battle against childhood cancer. Since the inaugural event in 2005, generous donors have raised more than \$1.9 million at our Tournament of Hope. We look forward to new milestones and welcome you to join us at this special event.

Northern Nevada Children's Cancer Foundation has provided Help, Hope, and Courage to local families affected by childhood cancer since 2000. NNCCF is the only nonprofit in the region solely dedicated to childhood cancer.

NNCCF's mission is to enhance the quality of life for children with cancer and their families by providing financial assistance and compassionate support programs, all while advocating for increased research funds and raising public awareness. Since inception, the foundation has helped northern Nevada families with more than \$7 million in direct financial assistance and raised over \$3.3 million for childhood cancer research.
