Northern Nevada Children's Cancer Foundation

For 26 years, Northern Nevada Children's Cancer Foundation (NNCCF) has provided Help, Hope, and Courage to local families affected by childhood cancer. It is the only nonprofit in the northern Nevada community solely dedicated to childhood cancer. It is our mission to enhance the quality of life for children with cancer and their families by providing financial assistance and compassionate support programs, all while advocating for increased research funds and raising public awareness.

Each year, NNCCF helps approximately 160 local children for needs such as medical, household, educational, and travel expenses related to treatment. Since inception, NNCCF has contributed more than \$12 million in direct financial assistance to northern Nevada families. Your attendance will contribute to the ongoing success and impact of NNCCF's mission.

In just two years, the Gold Ribbon Gala has contributed to new programs for the families we serve such as improved family navigation through our Family Navigator role and Golden Guide Navigation Binder, Mental Health Support partnerships, Hospital Comfort Wagons, an NNCCF branded van, and so much more!

Honoring Alyssa Carano Grant

"Alyssa Carano Grant was a warrior until the day she passed in the fall of 2023. She would often mention how unfair it was that pediatric cancer doesn't garner the same attention as that given to adulthood cancer. She spent several months in the hospital during her battle, where she would always try to make the best of extremely challenging situations. She concentrated on encouraging and inspiring others with her positive attitude and would always try to wear a smile, doing her best to bring laughter to fellow patients and hospital staff alike.

Her journey became a testament to resilience and the power of community in the fight against this terrible disease. Her life is an inspiration to us all; a reminder that, no matter what challenges life may bring, we must do our best to find the positive and always remember to smile. Alyssa's smile shines down on us all now and we're certain she's extremely proud that our family supports the important work NNCCF does for our community's families and children facing the many trials cancer brings." - Lisa and Gregg Carano Family
