

2025 NNCCF Annual Event Sponsors

Northern Nevada Children's Cancer Foundation (NNCCF) has provided Help, Hope, and Courage to local families affected by childhood cancer for 25 years. It is the only nonprofit in the region solely dedicated to childhood cancer.

Each year, NNCCF helps approximately 150 local children with needs such as medical, emotional, household, educational, and travel expenses related to treatment. In total, NNCCF has provided more than \$10 million in direct financial assistance to families.

As we continue to raise funds for children battling cancer in our community, the need for financial and emotional support continues to rise, with NNCCF experiencing record numbers of families seeking assistance.

Growth of Direct Financial Assistance to Families

From 2020 to 2023, NNCCF's Family Assistance Fund grew by an astounding 90% from \$677,463 to \$1,270,077.
