

KNOW THE GOLD

SEPTEMBER IS CHILDHOOD CANCER AWARENESS MONTH

DONATE TODAY

Abigail, Childhood Cancer Survivor

Support battle born kids fighting cancer right here in northern nevada.

Help local children diagnosed with cancer by donating to the Northern Nevada Children's Cancer Foundation.

The Northern Nevada Children's Cancer Foundation (NNCCF) is the region's only 50(c)3 nonprofit dedicated to helping local children and families affected by childhood cancer. Its goals are to alleviate the financial and emotional strain of childhood cancer by providing financial assistance, emotional support, advocacy for increased research funds, and awareness of childhood cancer. NNCCF encourages ongoing enrichment for children and young adults diagnosed with cancer through educational and scholarship programs.
